SPONSORED READ - FUNDRAISING

Dear Parents

As you know, this year's fundraising project for Pulford is for our much needed all weather play surface. We have already started the FUNdraising by having a green token collections in Waitrose and then the childrens' amazing efforts for the sponsored read we did at the beginning of the year. We will let you know exact figures of the Waitrose collection as soon as we can. I am continuing to apply for various grants to help us on our way, but they will be more generous if they see we are serious about raising some of the total ourselves.

The next event the School Council has planned is our **SPONSORED READ**. The sponsor sheet is below. Again, we are asking families to support their child with this. **Between now and Friday 16<sup>th</sup> March**, the children can be sponsored per page or per book they read at home. Maybe they could read some nice bedtime story books, following on from our World Book Day theme, or they may prefer adventure books or indeed factual books on their favourite topic. The younger ones may like to 'read' with a grown up or look through some picture stories.

**On Friday 16<sup>th</sup> March** Ethan Jones and Isabelle Jeeves (School Council) will bring together the **SPONSORED READING CHALLENGE**. Children can bring in one of the books they have read at home, or they may have time in class on that day to talk about their one of the books they have read. Either way it's a great opportunity for them to have fun reading whilst helping school raise money at the same time.

At the end of our last sponsored event Pre-school, Oak and Silverbirch families held a bake sale to complete the day. This time, **it's KS1's turn to hold a bake sale** which is always popular with children and adults alike!! Please can KS1 parents drop their cakes in to the office, on the Friday morning. If you are able to help 'man' the cake sale at the end of the day, please let the office know.

Please, please support where you can. We are still a long way off our target.

If you would rather give a one off donation, or if you work for a company that may like to support this huge venture, or you would like to help in any other way, please just email me.

Kind Regards

Dave Heather
